

## Create a custom raised bed in minutes, without tools

Now you can build your own raised beds without measuring, cutting wood, or pounding nails. Our Composite Raised Bed Kit includes everything you need to make one 4' x 4' raised bed. The all-season composite timbers are a blend of wood fiber and UV-protected polypropylene and will not rot, crack, split or splinter as real wood does. Rugged corner brackets swivel a full 270 degrees, so timbers can be aligned in variety of ways. Serrated corner stakes are 11-1/2" long to hold the bed in place. Each board measures 44-1/2"l x 5-1/2"h x 2"w. Boards are easily stacked to create deeper beds.

**#26330 Composite Raised Bed Kit \$99.95**

**Buy two Kits and save! \$179**

## Plant rows of seeds or flowers quickly and easily without strain!

Our Precision Garden Seeder handles the entire planting process in one easy pass. It opens the soil, plants the seed at the proper depth and interval, covers the seed, and marks the next row in one operation. Includes six seed plates for corn, radishes, asparagus, carrots, tomatoes, beans, peas, and more. Heavy-duty aluminum construction.

**#24472 Precision Garden Seeder \$99.95**

### Fertilizer Attachment

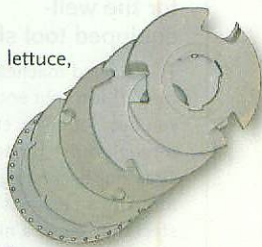

Attaches easily to Garden Seeder. Calibrated slide plate allows precise flow of all granulated fertilizers. Fertilizer can be applied above or below ground to depth of two inches.

**#24473 Fertilizer Attachment \$59.95**

### Extra Seed Plates

Includes five seed plates for rutabaga, lettuce, cabbage, broccoli, turnips, popcorn, cucumbers, lima beans and more.

**#24475 Extra Seed Plates \$24.95**

### Seed Plate Storage Bag

Nylon storage bag can hang from Seeder.

**#24474 Seed Plate Storage Bag (not shown) \$14.95**

## Transform kitchen, lawn, and garden scraps into rich, organic fertilizer

Unlike typical composters, you can load this composter with yard and kitchen

scraps continuously, and take out compost when you want it...without having to wait for the whole batch to "cook." As you rotate the drum, useable compost is separated from the batch into a collection chamber. The loose, dry compost is easy to remove and perfect for your plants. Rotating the drum also accelerates the composting cycle, for fast and odorless composting. Made of rugged polyethylene. Green. 33.25"l x 31"h x 24"deep. 38 lbs.

**#25050 Rotating Garden Composter \$295 (\$49)**

## Speed up the composting process with this natural accelerator

**#15380 Compost Accelerator \$9.95**

## Sawtooth shovel easily chops through tough soils and cuts roots

These hard-to-find shovels have nine sharpened teeth that pick through rocky soil and slice through roots easily... saving you hours of back-breaking work! Made from carbon spring steel. The turned blade keeps your foot on the shovel when digging. Shovel is 48" long with a fiberglass handle and an 8-3/4" wide blade. D-Handle Shovel is 39" long with a wood handle and an 8-3/4" wide blade.

**#16733** 48" Handle  
Sawtooth  
Shovel \$39.95

**#16734** 39" D-Handle  
Sawtooth Shovel  
\$34.95

## Trim trees or clear brush with the 2-in-1 Machete/Saw

One side of this 18"-long blade features a sharp machete edge useful for clearing brush or thick vegetation while the other side has a triple tooth saw blade for fast sawing of large branches and small trees. Rubber handle provides a comfortable and secure hold. Includes a durable, nylon sheath that can attach to your belt.

**#24421** 2-in-1  
Machete/Saw  
\$24.95

## Pull weeds and their roots without bending or kneeling

With its simple lever action and durable steel construction, this tried and true tool is ingeniously designed and made to last. Easy to use, just center the head over the weed, step on the footpad lever and push the weeder into the ground. Then, tilt the handle toward the footpad lever and out comes the weed and root. Solid wood handle. 46" long.

**#19536** Grampa's Weeder  
\$29.95

## Double the length of this lopper for extended reach

Push a button and the handles on this lopper extend from 18-1/2" to 32-1/2", for TWICE the leverage and reach. Great for cutting ground level suckers, saplings, etc., without bending or stooping. Ratcheting action allows you to cut branches up to 2" thick with minimum effort. Hardened steel anvil blade with a non-stick coating.

**#20310** Telescopic Ratchet Anvil Lopper  
\$29.95

**#20675** Replacement Blade \$9.95

*Extendable-  
reach handles!*

## Ratchet Pruner multiplies your hand strength

With our Ratchet Hand Pruner you don't need a strong grip to prune branches up to 1" thick. The powerful ratchet action allows the blade to cut deeper with each gentle squeeze until it's all the way through. Bypass blades are made of high carbon steel with a non-stick coating. 8" long.

**#14977** Ratchet Hand Pruner  
\$19.95

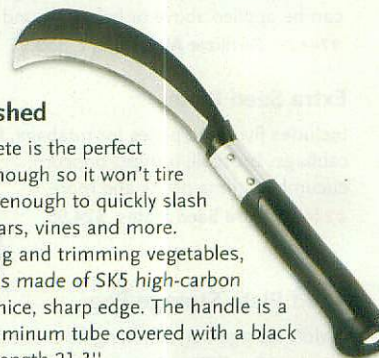

**Customer Favorite!**

## All-Purpose Machete for the well-equipped tool shed

This rugged machete is the perfect weight! It's light enough so it won't tire you out, yet heavy enough to quickly slash through brush, briars, vines and more. Great for harvesting and trimming vegetables, too. The 8" blade is made of SK5 high-carbon steel that keeps a nice, sharp edge. The handle is a silver anodized aluminum tube covered with a black PVC grip. Overall length 21.3"

**#22695** 8" Curved-Blade Machete \$19.95

### Solar powered timer waters your plants automatically

Simply set this timer and forget it. It waters for durations of 10 seconds to 2 hours, and at frequencies from every 5 minutes to every 7th day. With a simple two-dial system it's easy to set. A built-in solar panel recharges two "AA" rechargeable batteries (not included). Attach to any outside faucet. Works with drip or soaker hoses, too.

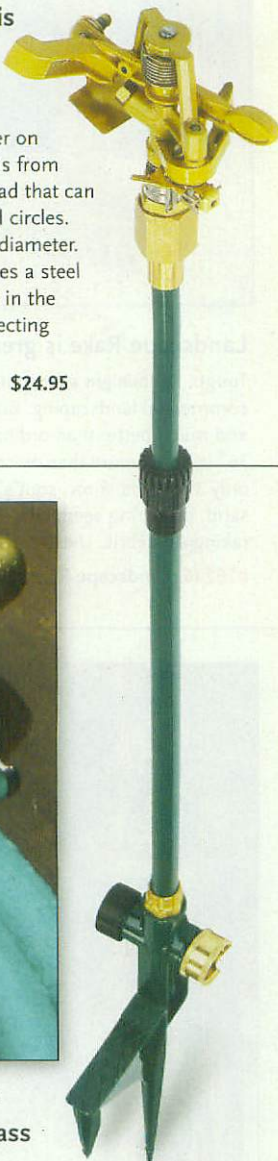

**#24452 Solar-Powered Water Timer \$39.95**

### Tackle any watering job with this adjustable-height sprinkler

This Telescoping Sprinkler is great for watering your lawn or for use in areas too thick with plants to place a sprinkler on the ground. The aluminum pole extends from 20" to 30" and features an all-metal head that can be adjusted to water from full to partial circles. Maximum water coverage up to 60' in diameter. Spray tips provide gentle spray. Features a steel step-spike for easy and firm placement in the ground and flow-thru outlets, for connecting multiple units.

**#17752 Telescoping Impulse Sprinkler \$24.95**

### The wheels pressurize this sprayer while you roll it!

Forget pumping and heavy lifting. For the ultimate in convenience, try our No-Pump Sprayer on wheels. It pressurizes as you walk or roll it back and forth. The wheels carry the weight. The wand conveniently stores inside the handle for neat storage. It's the perfect solution for fertilizing, treating weeds, applying deck stains, stripping wallpaper and more. 72" premium PVC hose and wand. Holds 2 or 4 gallons.

**#21627 No-Pump Sprayer (2 gal.) \$74.95**

**#21628 No-Pump Sprayer (4 gal.) \$84.95**

**No Pumping!**

### Finely crafted nozzle is made of zinc alloy, stainless steel and brass

Our Hose Nozzle may be the last one you'll ever buy. Made of zinc alloy, stainless steel, and brass, this commercial-grade nozzle feels great in your hand, operates smoothly and flawlessly, and does not leak. Infinitely adjustable spray pattern, from powerful stream to gentle mist. Locking trigger allows long periods of watering without fatigue.

**#20313 Hose Nozzle \$19.95**

### Cut weeds off at their base in your pond or lake

Simply skim the Lake Weeder across the water, let it sink, and pull it back using a short push-and-pull action...and watch the weeds come loose. Features a 28" double-sided, serrated cutting blade. 11 ft. powder-coated aluminum handle comes in two pieces.

**#17850 Lake Weeder \$89.95**

### Landscape Rake is great for home garden use, too!

Tough, lightweight aluminum landscape rakes are used primarily for commercial landscaping. But we found this big rake is also ideal for home use and much better than ordinary, hardware store metal rakes. Measures a full 36" wide — more than twice the width of a normal garden rake — but weighs only 3 pounds, 8 oz., so it's less tiring to use. Perfect for spreading gravel and sand, preparing seedbeds, leveling and smoothing topsoil for a new lawn, or raking up debris. Use the tines for raking or the flat edge for leveling.

**#16246 Landscape Rake \$29.95**

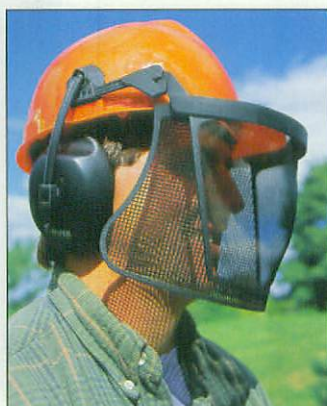

### Cut branches up to 25-foot high without leaving the ground

The High Limb Chainsaw consists of two 25' ropes attached to either end of a 48" chainsaw chain. Just throw one rope over the branch (a weighted bag is attached to one rope), then pull alternately on each

rope to create a fast sawing action. Blade cuts in both directions. For limbs up to 10" in diameter.

**#23164 High Limb Chainsaw \$41.95**

knob, with the helmet on, for a secure, comfortable fit. Flip-up, contoured black mesh face screen stops flying wood chips, yet allows air to flow so you stay cool. Meets OSHA standards. No goggles to fog up!

**#16775 Head/Hearing Protector \$49.95**

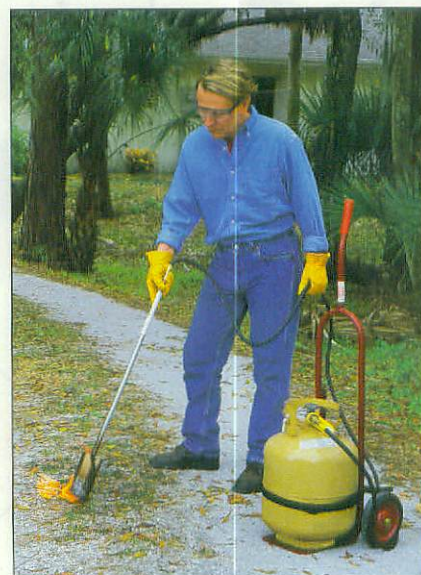

### Commercial torch burns hotter than smaller models

Use this torch all year for burning weeds, melting snow and ice, thawing pipes, stump burning, and more. Kit includes vapor torch, flame-adjusting brass valve, 10 ft. of hose and safety fitting that automatically shuts off. 500,000 BTU flame reduces weeds to ash in seconds! For use with 20-lb or larger propane tank (not included).

**#18193 Large Weed Torch \$89.95**

**#18191 Torch Tank Caddy \$59.95**

**Customer Favorite!**

### Blast tough weeds with heat, instead of chemicals

Better than chemicals, the Weed Torch uses heat to kill weeds. Simply attach a standard propane cylinder (available at most hardware stores). Push-button switch provides automatic ignition without matches. In winter, melt ice on concrete or gravel walkways.

**#14997 Small Weed Torch \$49.95**

**Customer Favorite!**

### Complete head, ear, and eye protection

Designed for commercial use, this orange hardhat has flip-up hearing protectors with a Noise Reduction Rating of 22dB. The headband can be adjusted with the turn of a

## Save your chain and your back!

Hitting the ground with a running chainsaw can badly dull the chain in an instant. This combination peavy and log stand is great for easily rolling and moving logs, and for holding them off the ground for safe sawing. Hand-forged steel parts with maple hardwood handle. 3-1/2 feet long.

#16239 Timberjack \$89.95

Customer Favorite!

Keep your chain in top condition with this easy-to-use sharpener

This precision grinder uses a permanent magnet, 85-watt, 120-volt electric motor to deliver maximum power even when the friction between the grinding wheel and the chain is increasing. Automatic indexing of chain. Two grinding wheel sizes for chains 1/4" to .325" and for chains 3/8" to .404". Grinding pitch and depth are adjustable. Full instructions included. Mounts to bench, wall, or vise.

#17868 Electric Chainsaw Sharpener \$159

Customer Favorite!

## The safe way to hold logs for cutting

The Log Holder holds logs up to 9" thick and of any length two feet off the ground for easy sawing. Simply slide log in between the jaws and press down so the claws bite into the log. Helps prevent kickback, pinching and the saw chain from hitting the ground. Works great with lumber, too. All-steel construction. Folded size: 48"l x 15"w x 3"d. 27 lbs.

#21630 Log Holder \$169

Customer Favorite!

## Chainsaw cutting speed reaches 12 feet into trees

Using a powerful, commercial-duty 24cc, 2-cycle engine and a 10" Oregon® bar and chain, the Powered Pole Pruner has the horsepower to cut any branch up to 8" in diameter. With a lightweight aluminum shaft, and an overall length of 90", you can easily prune high into trees. Rubber mounts on the engine and handle dampen vibration. Features automatic chain oiling system and an easy "kill-switch." 11.4 lbs.

#23195 Powered Pole Pruner \$399

Customer Favorite!

#15266 2' Extension \$74.95

#15297 Spare Chain \$29.95

#15296 Spare Bar \$31.95

# TACKLE BIG JOBS WITH A DR® POWER SPRAYER FOR YOUR TRACTOR OR ATV.

With a DR® POWER SPRAYER you can quickly and easily apply water, fertilizer, herbicides, insecticides, and other lawn products on turf, trees, and shrubs. There's no pumping required — just turn on the quiet, battery-powered motor, point the adjustable wand, and spray!

**Tow-Behind model features** a two-nozzle boom and sprays a path that's 80" wide. High-Flo pump delivers 2.1 gallons per minute at up to 60 PSI. For use with any ATV or lawn/garden tractor with a 12-volt battery. Holds 30-gallons. Includes 15-foot high-pressure hose and lever action handgun with adjustable tip.

**ATV model features** deluxe pistol grip spray gun with 15-foot hose and 3-nozzle boom that covers a swath 30-feet wide. High-Flo pump delivers 3.8 gallons per minute at up to 45 PSI. For use with any ATV with a 12-volt battery. Universal mounting brackets fit most ATV cargo racks.

**#24479 30-Gallon Tow-Behind DR® POWER SPRAYER \$349** List \$399 (\$69)

**#24480 25-Gallon ATV DR® POWER SPRAYER \$399** List \$449 (\$49)

## 30-GALLON SPRAYER FEATURES

- Spray Hose reach: 30-feet horizontal; 18-feet vertical
- Easy-rolling 13" pneumatic tires
- Battery wiring connects to a tractor or ATV battery
- Large screw-on lid makes it easy to add liquids
- Adjustable pressure range up to 60 psi
- 56"l (includes tow bar) x 42"w x 25"h
- 71 lbs.
- 2 year warranty (residential use)

## Make a clean sweep of leaves, grass clippings, lawn debris and more

Hitched up behind a tractor, riding mower or ATV, the 44" Lawn Sweeper brushes up leaves, grass clippings and other lawn debris into a spacious hopper. Four 12" diameter brushes make consistent brush-to-ground contact, to prevent the "skipping" that's so common with other lawn sweepers. A huge 25-foot cubic bag holds twice the debris of standard sweepers. An upright handle on the sweeper allows users to dump contents from the tractor seat. The offset tow-bar allows the sweeper to be pulled on either side of the tractor, as well as directly behind. Simple one-button brush height adjustment. Collapses flat for compact storage. Pin-hitch. 79"l x 43"h x 53"w.

**#26338 44" Lawn Sweeper \$369** (\$69)

**NEW!**

### EASY HEIGHT ADJUSTMENT

With one button it's easy to adjust the height of the brushes for collecting everything from grass clippings and twigs to deep layers of leaves.

### FOLDS FOR STORAGE

This big sweeper folds up for compact and easy storage in your garage or shed.

## 1000-pound capacity trailer cart features exclusive foot-lever dumping

There's no job too tough for this go-anywhere, carry-it-all utility cart. A super-duty polyethylene bed carries wet or dry loads without denting, rusting or corroding. The powder-coated rugged steel frame rests on two pneumatic tires that roll right over most obstacles. Best of all, a foot-operated dumping mechanism makes it easy to dump heavy loads right where you want them without struggling to lift the cargo bed. That saves you time...and saves your back. 1,000-pound capacity makes it ideal for wood hauling, landscaping, yard work, gardening, at the worksite, etc. Tows with your tractor or ATV using a pin hitch. 72"l x 41"w x 29-1/2"h. 97 lbs.

#26372 Half-Ton Dump Cart \$349

**NEW!**

## Tackle multiple lawn chores with one versatile machine

Now you no longer need to own several machines to care for your lawn. With the Lawn Groomer System you can change from one lawn implement to another in seconds, without any tools. You'll save big on storage space in your garage, barn or shed by eliminating multiple platforms, and the system couldn't be easier to operate. Just remove a few pins to change from one lawn implement to another in seconds. No tools needed!

The Lawn Groomer System comes standard with a snap-in plug aerator. The 40" plug aerator will loosen compacted soils, especially clay, and allow air, water and nutrients to reach the lawn's root system. The 24 plugging spoons penetrate up to 3" deep. 54-1/2"w x 53"l x 19"h. 95 lbs.

#26368 Lawn Groomer System and Aerator \$249

If thatch build-up is "suffocating" your lawn, the thatch needs to be removed. The Dethatcher Attachment features 20 heat treated spring tines that will dig in and remove the thatch without damaging the turf. Once the thatch is removed, water, air and nutrients can reach the grass roots. Features a built-in tray for adding extra weight to improve penetration.

#26373 Dethatcher Attachment \$89

Our poly Lawn Roller is essential for keeping your lawn smooth and flat, which makes it easier to mow. The Lawn Roller can also be used for packing down new sod and seeds. Or use it to restore a lawn's smooth appearance after flooding or to eliminate frost heaves. The roller's drum is crafted in a sturdy polyethylene, which resists dents, rust, and weather damage. Can be filled with water or sand. Pin-style hitch.

#26374 Roller Attachment \$179

#### DR CREDIT

NO PAYMENTS  
NO INTEREST  
FOR 3 MONTHS\*

Use DR Credit and  
MAKE NO PAYMENTS/PAY NO INTEREST  
for 3 Months (for orders of \$300 or more).  
Call or visit us online for more details.

**TOLL-FREE 1-800-376-9637**  
**www.DRcreditplan.com**

Applies to purchases of \$300 or more made between April 1 and May 28, 2009 on a DR Power/Country Home Products credit card account. On promo purchase, no monthly payments will be required and no finance charges will be assessed if (1) promo purchase paid in full within 3 months, (2) any minimum monthly payments on account paid when due, and (3) account balance does not exceed credit limit. Otherwise, promo may be terminated and finance charges assessed from purchase date. Standard terms apply to non-promo purchases, optional charges and existing accounts. As of 1-1-2009, variable APR: Prime Rate plus a margin of 15.8% (19.05%) and on all accounts in default, 26.99%. Minimum Finance Charge \$1.50. Subject to approval by GE Money Bank.

**NOTE:** Please call or visit us online for details of special 0% Financing for SIX months on purchases of \$5000 or more.

### 2. OVERSIZED ITEM SHIPPING

Some heavy or oversized items cost more to ship. Shipping charges for these items are either listed in parentheses (\$) after the item price, or they appear on the chart below. Use these shipping charges **instead of** (not in addition to) the rate chart for Standard Sized Items (at left).

**2-DAY RUSH SHIPPING:** Expedited shipping is available for most OVERSIZED UPS deliveries. Please call for availability and pricing.

**MOTOR FREIGHT DELIVERY:** In addition, we offer various delivery options for selected oversized items that are shipped by motor freight. Using the chart below, check for availability, then select the delivery option you prefer from the following:

**DEPOT DELIVERY:** We ship to hundreds of truck terminals across the U.S. When we receive your order we will determine the trucking depot closest to you. Most will load your machine into your vehicle (you'll need to have a pickup truck or trailer).

**BUSINESS DELIVERY:** The business you select

must have a loading and off-loading facility and must accept delivery during normal business hours. Typical businesses used by our customers include feed stores, lumber yards, building supply centers, etc.

**HOME DELIVERY:** Your home and driveway must be accessible to a tractor-trailer, and someone must be home to accept delivery. Because the driver is not required to unload your machine, you should plan on having a couple of sturdy 10-foot planks (2" thick x 10" wide, minimum) and at least one or two helpers to help you remove the machine from the truck.

**ENHANCED HOME DELIVERY:** Our most comprehensive option. Your machine will be removed from the truck by the driver and placed on the ground. Someone must be available to accept delivery, and your home and driveway must be accessible to a tractor-trailer.

**RUSH DELIVERY:** Rush delivery is not available on freight shipments. We ship best method, depending on the delivery option you choose and your location.

## A safe and easy way to apply water-soluble fertilizers

This is a great device for evenly dispensing fertilizers on your lawn, garden or shrubs...right through your own hose! The Fertilizer Hose Siphon attaches between the hose and faucet. A rubber suction tube is dropped into a bucket holding your fertilizer mix which is then drawn into the hose and applied while you water (at a rate of

approximately one part fertilizer to 16 parts water). Built-in backflow stopper protects water supply.

**#18187 Fertilizer Hose Siphon \$19.95**

## The adjustable wrench that works like pliers

No more searching for the exact size wrench for each job! The Bionic Wrench™ automatically grips the most common sizes of U.S. and metric nuts and bolts. Adjustable clamp sizes itself with a simple squeeze of the handles. Attaches to six flat sides of a bolt with equal force to reduce stripping and ensuring an easier, safer tightening/loosening. Fits 16 bolts (SAE from 7/16 – 3/4 inch; metric from 11 mm – 20 mm). Hardened-steel construction.

**#22299 Bionic Wrench™ \$29.95**

## LIMITED TIME OFFER: 1 YEAR HANDS-ON TRIAL!

**1 YEAR HANDS-ON TRIAL:** Any product purchased directly from DR Power Equipment may be returned, for any reason, within 1 year of your original ship date (30 days for commercial use), for an exchange or a full refund of the product's original price, less the standard shipping charges to and from your delivery address. Offer good only on purchases made between April 1, 2009 and May 14, 2009.

## WARRANTY

The following DR Products have a 2-year warranty in residential use: TRIMMER/MOWER, FIELD and BRUSH MOWER, ROTO-HOG™ POWER TILLER and MINI TILLER, POWERWAGON, POWER GRADER, LEAF and LAWN VACUUM, CHIPPER, CHIPPER/SHREDDER, VERSA-PRO™ Z-MOWER, STUMP GRINDER, WOOD SPLITTER, BACKHOE and WIDE-CUT LAWN MOWER. The NEUTON® Mower and Garden Cart also have a 2-year warranty. Unless otherwise stated in the materials that arrive with your product, all other products we offer are protected against defects in materials and workmanship, under ordinary and normal use, for a period of one year (90 days for commercial use) from its shipping date. Under the terms of the Warranty, DR Power Equipment may opt to repair, replace, or issue a refund for products that are defective or have sustained damage in shipping. Replacement of products or parts subject to normal wear and tear is the responsibility of the customer. If DR Power Equipment chooses to accept a return under Warranty, you may return the defective or damaged product only after you call and receive a Return Authorization from DR Power Equipment. You will also receive a refund for your original shipping charges. Please Note: The 6-Month Risk-Free Trial and Warranty are not transferable and do not cover items that have been modified or damaged by abuse, usage not in accordance with product instructions, improper care, or improper maintenance.

## SPRING SALE!

## IMPORTANT ORDERING INFORMATION

**ORDER 24 HOURS A DAY:** Our phones are staffed Monday – Friday, 8 am - 9 pm; Saturday, 8:30 am - 7 pm; Sunday, 9 am - 5:30 pm, EST; call TOLL-FREE 1-800-376-9637. You can also order on our website at [www.DRpower.com](http://www.DRpower.com), fax your order to 1-802-877-1213, or mail your completed order form to: DR Power Equipment, Order Department, 75 Meigs Road, P.O. Box 25, Vergennes, Vermont 05491.

**CUSTOMER SERVICE:** If you have any questions about a product or about your order, please call TOLL-FREE 1-800-376-9637. Our Customer Service Representatives are available Monday – Friday, 8:30-5pm, EST.

**DR TECHNICAL SUPPORT:** We have an experienced team of Technical Support Specialists to help you. Call TOLL-FREE 1-800-376-9637, Monday – Saturday, 8:30 am – 5:00 pm, EST.

**DELIVERY:** Orders for in-stock items are shipped within one or two business days. We work hard to ship all orders using the most efficient and economical method. Delivery estimates are for the contiguous 48 United States.

### Standard Ground Shipments

Most items ship by UPS or USPS and generally take 3-10 business days to arrive at their destination, depending on your location.

### Motor Freight Shipments

Some items too heavy or too large for standard ground shipment are shipped by freight and generally take 3-14 business days to

arrive at their destination once they ship from our warehouse. *Note: Items ordered together may arrive in multiple shipments.*

**RUSH DELIVERY:** Expedited shipping is available on most items. Please see Order Form for shipping details and charges. Rates apply to deliveries within the contiguous 48 United States only. Most expedited shipments arrive within 2 business days once they ship from our warehouse. Please call Customer Service at 1-800-376-9637 for more information about our expedited services and charges.

**INTERNATIONAL ORDERS:** We ship worldwide. Payment must be in U.S. dollars. Contact us for exact shipping charges at 1-802-877-1200, ext. 2040.

**PRICES:** All prices in this catalog are in U.S. dollars and are superceded by the next catalog. For VT & CT deliveries and pickups, please add applicable state sales tax.

**PRODUCT AVAILABILITY:** If an item is out of stock when you order it, it will be sent to you as soon as we receive it. Your credit card will not be charged until your merchandise is shipped.

**CUSTOMER SERVICE:** If you have any questions about a product or about your order, please call TOLL-FREE 1-800-376-9637. Our Customer Service Representatives are available Monday – Friday, 8:30-5pm, EST.

**RETURNS & EXCHANGES:** If you decide to return or exchange an item, follow the instructions on the Return Form enclosed with your order. For assistance with DR® power equipment and large items, please call our Customer Service Department at 1-800-376-9637.

**SHIPPING RECEIPT:** Upon receipt, please report any damage to the carrier. You **MUST** retain all packaging material for the carrier's inspection. Once you have notified the carrier, please call us. We will work with you and the carrier to resolve the matter to your satisfaction.

**MAIL PREFERENCES:** We occasionally make our customer list available to carefully selected companies whose products may be of interest to you. If you prefer not to receive these, clip out your address label, indicate that you do not want your name provided to other companies, and mail to: DR Power Equipment, Mail Preference Service, 75 Meigs Road, P.O. Box 25, Vergennes, VT 05491.

**ADDRESS CHANGE/DUPLICATE CATALOG:** We want to make sure your catalog gets to you, so please let us know if your address changes. We need both your old and new addresses. We also want to avoid unnecessary mailings. If you receive more than one catalog, please cut out the address areas from the back of both catalogs and send them to us. Or, if you like, feel free to pass along extra copies to a friend.
